

1. Handoff:

It was great speaking with you earlier.

I figured I would add you to this group chat with the rest of the team ahead of the discovery call.

Can you introduce yourself when you get a chance?

2. Client Interview:

You'd get quite a lot of value out of this YouTube video based on our conversation.

Here's the link for it: [LINK]

3. Recap:

I don't want you showing up to the discovery call clueless or anything like that so let me catch you up real quick.

Shorts Maxxing is where we work with you to hit \$10,000 per month with faceless YouTube in less than 90 days using Shorts.

It has one-on-one coaching calls, one-on-one access, group coaching calls, community, and course content.

There are a bunch of other bonuses like The Niche Launchpad as well.

4. Reminder / Objection Handling + Conviction Building:

Let me answer some frequently asked questions prior to the discovery call later on.

Will I be pushed into some sort of deal? The whole point of this is to work out whether or not it's a great fit.

Are they going to make me feel bad if I decide against it? We would much rather you walk away than commit while you're still on the fence.

Do I need to have everything lined up beforehand? We'll fill in all of the blanks together.

Am I walking into things blind? We're going to come up with a game plan based on your situation.

I'm sure you understand my way of hitting \$10,000 per month with faceless YouTube in less than 90 days using Shorts.

It's important to understand that there are more people doomscrolling than ever, but only a handful of people taking advantage of it.

The thing is that taking this approach alongside somebody who's already done it successfully allows you to skip straight past the guesswork.

Feel free to come with as many questions as possible: [\[LINK\]](#)

5. Reminder / Risk Reversal + Urgency & Scarcity:

The discovery call is going down in about an hour.

Let us take some of the weight off your shoulders beforehand.

There's a guarantee to keep working with you free of charge if you don't hit \$10,000 per month with faceless YouTube in less than 90 days using Shorts.

It's important to mention that we're taking on fifteen people in this cohort and the doors are staying open for the next week.

You want to take immediate action if it's piqued your interest whatsoever.

I would recommend keeping that in mind: [\[LINK\]](#)

6. Reminder:

It's time for the discovery call.

They've been sitting in the waiting room for a little.

Hop on it: [LINK]
