

### **1. Confirmation:**

You guys are officially registered for the free live masterclass.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

## **2. Lead Magnet:**

Your free gift is ready by the way guys.

The Niche Launchpad is pinned in the description right now.

### **3. Unique Mechanism:**

I want you guys to understand my way of \$10,000 per month with faceless YouTube in less than 90 days using Shorts.

Longs force you to prove yourself for a chance from the algorithm.

Shorts give you a fair shot no matter what.

I'll be teaching everything around this inside of the free live masterclass.

#### **4. Narrative:**

Let me provide some context real quick.

I was broke, depressed, and slaving away to put myself through college.

I spent a year grinding away because I realized the only way out was through.

I finally made it work and put that life behind me.

I'm now running multiple channels of my own, building software for all of it, and putting others onto the method.

## **5. Future Pacing:**

I want you guys to imagine something for a second.

You're working at your desk, from the comfort of your own home, day in and day out.

You spend some time setting up a new channel, producing some Shorts, and expanding things.

You take the rest of the day for yourself while earning on autopilot.

This is the life that Shorts have handed over to me.

## **6. Sneak Peek:**

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to set up your channel correctly inside of a booming niche.

The second is how to get monetized by going viral on repeat.

The third is how to stack up channels and capitalize on all of them.

There's going to be a Q&A for the ones that stick around until the end.

## **7. Objection Handling:**

I hope you guys are fine with me reading your minds real quick.

Are you really teaching everything inside of it? I've refined it to what's actually going to move the needle.

Isn't this all on your YouTube channel anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will this turn into one grand pitch? I'm teaching it all whether you work with me or not.

What if I simply catch the recording? Being there in person helps extract as much value as possible.

I'll get into everything else throughout the free live masterclass.

## **8. Addressing:**

You guys have been asking me why the free live masterclass is free of charge.

It's a common misconception that I have to choose between doing it myself and helping others, even though I can do both at once.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results.

This is pretty much what's in it for me.

### **9. Reminder / Recap:**

Today is the day people.

I'll be going live at 7:00 PM EST.

There will be three pillars and a Q&A.

It's so clear and concise that you should be set after only an hour and a half.

I'm going to pin the link in the description and send it through a little later.

#### **10. Reminder / Conviction Building:**

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get the sauce without the downsides.

The only difference between yourself and this person is that they showed up to the free live masterclass.

You don't want to be one of those people who register and don't attend.

The link is pinned in the description but you can also get it here: [LINK]

**11. Reminder:**

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

**12. Reminder:**

You guys have still got time to hop inside the free live masterclass.

The real value is about to start though.

Jump in while you still have the chance: [\[LINK\]](#)
